"Into The Primitive"

A five part Selig Red Seal Production.

Into the Primitive, into the jungle, into the wilderness, shamed and afraid—Human Beings, long upon a deserted coast at flood tide, the prey of wild beasts and of reptiles. Into the darkness, made hideous by wild eyes, growth as animals stalk forth in search of food. And yet, here the woman found her mate!

CULBERSON AN EASY WINNER IN NUECES COUNTY PRECINCTS

TWELVE OF THIRTEEN BOXES GIVE MAJORITY FOR SENATOR CULBERSON.

Total Vote Accounted for Last Night Was 111, Culberson Getting 55% of Number and Colquitt 15%.

Culberson was a big favorite in Nueces County Saturday the senior senator leading Tomás Colquitt Colquitt's more than two to one in the chili-pepper issue that had raged during the night. Colquitt suffered a major defeat in every box except the one where the voting was 21 for Colquitt and 14 for Culberson.

City wards 1 and 2, the Río Hondo, Agua Dulce and Palacios were especially strong for Culberson, in the five hours around Culberson getting 95 votes and Colquitt getting 15 votes.

While Colquitt had been received during the night from Bishop, Doniphan, Cuero, Calallen, Leakeville, Pharr, Matagorda and Port Aransas, it is assumed that the returns cannot exceed the amount and that Culberson will have a majority of at least 200 votes to Nueces County, out of an estimated total vote of 2,000.

Bishop, Cuero and Pharr still have their returns small. Colquitt's supporters, Cuero, Calallen, Leakeville, Matagorda and Port Aransas, are expected to return Monday afternoon when the returns are closed.

In the six city districts Colquitt's majority was more than three to one in the vote being 221 for Colquitt and 77 for Culberson.

The city was fully as large as had been expected by both Culberson and Colquitt supporters. The return of Agua Dulce was no longer on the minds of residents of the county that it was evident several days ago that efforts to get out a large lead would be futile, as no many people were employed in getting their houses in order after the storm which would not take the city back to the polls.

The Nueces County Culberson club was fully in hand of Senator Culberson and were jubilant over the splendid majority that was given for their candidate. The officers were also proud of the fact that all evidence to this date, with the exception of Cuero and Jim Wells, favored large Culberson majorities.

Majority Day Miller, Forrest, Greene, Bryan, Wilcox, Moore, John, W. Martin, Fred T. Tracy, J. H. Chapman, George W. Hopkins, D. H. Hayes, Edward R. Hollings, T. H. Givens, H. B. Rossell, W. E. Page, Robert W. Johnson and many other Democrats of the county were anxious in their letters to behalf of Senator Culberson.

James M. Taylor, Bush, H. Parker, Cook, G. H. K. Kramer, Cuero, Leakeville, Dr. Oliver, George, Green and others were equally as zealous in behalf of former Governor Colquitt.

The situation was said to be at the twenty-one precincts of the county. Returns from the six precincts had been received at the Valley office within ten minutes after the polls closed.
